COVID NATIONAL EMERGENCY  
MUST END

(Mr. LAWLER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAWLER. Mr. Speaker, I rise today to applaud the House for passing the Pandemic is Over Act, the Freedom For Health Care Workers Act, the SHOW UP Act, and for ending the national emergency.

I was in the New York State Assembly when the COVID vaccine mandate was passed, and I argued vociferously against it. Even then we knew it would cause irreparable damage to our

healthcare facilities, forcing thousands of healthcare workers out of their jobs, and we were right. That is why it is so important for Congress to take this step and right that wrong.

Another refrain I hear over and over again from my constituents is that we need to end the national emergency declaration. We get calls every day in my office from small business owners, teachers, carpenters, and other constituents who simply don't understand why we haven't fully reopened our State and country.

COVID cases have dropped dramatically across the country, and the number of cases today compared to the same date last year are down over 600,000 cases. The fact is that this no longer constitutes a national emergency, and we should absolutely end the declaration.

Mr. Speaker, I urge the Senate to pass these important pieces of legislation and encourage the administration to accelerate their timeline on this important matter.

CELEBRATING BLACK HISTORY  
MONTH

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to celebrate Black History Month. This month, we celebrate the tremendous contributions of African Americans to the growth of our Nation.

Just one example of that contribution is the beautiful edifice that we are in today. It was built by people who were uncompensated for their work, but it is a beautiful testament in our Nation's example.

Black History Month started as Negro History Week in February of 1926. That week was chosen because it included the birthdays of President Lincoln and famed abolitionist Frederick Douglass.

In 1976, they expanded it and created Black History Month.

Today, African Americans make a difference in every aspect of American life and highlight the fact that the African-American story is the greatest success story in our Nation's history.
